

CURRICULUM VITAE

REZA PORDELL, M.D.

Education

Undergraduate: College of Arts and Sciences, Iran

Medical Doctor: Shiraz Medical School, Shiraz, Iran

Post-Doctoral Training

Internship: Greater Baltimore Medical Center, Baltimore, MD

Surgical Resident: Sinai Hospital, Baltimore MD

Orthopedic Resident: Shiraz Medical School, Shiraz, Iran

Diagnostic Radiology Resident: St. Raphael/St Vincent's Hospital, 8 Medical Center (Both Affiliated with Yale University School of Medicine)

Fellowship in CT/Ultrasound: SUNY/Buffalo – Erie County Medical Center, Buffalo, NY

Fellowship in Neuroradiology: SUNY/Buffalo – Erie County Medical Center, Buffalo, NY

Board Certification

1980: American Board of Radiology – Diagnostic Radiology Certification

1986: American Society of Neuroradiology – Sub-Specialty Certificate

1986: Certificate of Added Qualifications - Neuroradiology

Academic Appointments

1979 – 2002: State University of New York at Buffalo
- Clinical Assistant Professor of Radiology
- Coordinator of Section of Neuroradiology

1989 – 2000: State University of New York at Buffalo
- Clinical Assistant Professor of Neuroradiology and Neurosurgery

Professional Experience

2016 – Present: Online Radiology Medical Group Inc., an affiliate of Onrad, Inc., Riverside, CA

10/2010-Present: Garfield Medical Center

12/2009 – 12/2009: Hanford Community Hospital

11/2009 – 02/2010: Physician – Locum Tenens

08/2007 – 06/2010: Alameda Medical Center

CURRICULUM VITAE

REZA PORDELL, M.D.

Professional Experience (cont.)

02/2007 – 07/2009: Erlanger Health Systems
09/2006 – 06/2007: Long Beach Memorial Hospital
03/2006 – 06/2010: Chapman Medical Center
03/2005 – 06/2006: Citrus Valley Medical Center
2003 – 2004: JFK Medical Center
12/2002 – 09/2006: Beverly Hills Radiologist
09/2002 – 12/2002: Whittier Hospital Medical Center
1999 – 2001: Kaleida health Systems
1998 – 1999: CGF Health System/CGF Radiology Assoc., Interim Clinical Director of Imaging Services
1997 – 1999: CFF Health System/CGF Radiology Assoc., President & CEO
06/1995 – 1998: Buffalo General Hospital, Interim Head
1990 – 2002: Buffalo General Hospital, Attending Radiologist
1993 – 2002: Western New York MRI Center, Medical Director
1989 – 2002: Western New York MRI Center, Associate Radiologist
1983 – 1990: Erie County Medical Center
1983 – 1990: VA medical Center, Buffalo, New York
1983 – 2002: West Seneca Development Center
1983 – 2002: St. Joseph's Hospital

Professional Societies

American Society of Neuroradiology
Buffalo Radiological Society
Radiological Society of North America
Eastern Neuroradiology Society
Society of Magnetic Resonance Imaging
American Society of Spine Radiology

Published Articles

"Ocular Toxocariasis Studied by CT Scanning", RADIOLOGY, Vol. 157:685-686, Dec. 1985

"EEG and Radiologic Findings in Patients with Neurologic Complications (Including Seizures) in AIDs" abstract;
RE Schlagenhauff, R Pordell and G Alker, 17th Epilepsy International Congress, September 1987

"Spontaneous Cerebrospinal Fluid Otorrhea in a Deaf Infant" B Ryczko, L Brodsky, JF Stenievich, R Pordell –
International Journal of Pediatric Otorhinolaryngology, 16:245-251, 1988

Co-author of chapter in Advances in Neurology, Vol. 62 "Cerebral Small Artery Disease" and "Computed Tomography and Magnetic Resonance of Subcortical Ischemic Lesions"

CURRICULUM VITAE

REZA PORDELL, M.D.

Published Articles (cont.)

“Striking CT Scan Findings in a Case of Unilateral Moyamoya Disease – A Case Report” IJ Shin, R Cheng, R Pordell Angiology, 1991

“Interrater Agreement of Computed Tomography Infarct Measurement” – R Pordell, F Greiner, Journal of Neuroimaging, Vol. 6, No. 1, January 1996

Research

Thrombolytic Therapy in Acute Thrombotic Stroke (TTATTS), Research Co-Investigator

Presentations

“Contrast Media”, Buffalo Radiological Society, 1981

“Computerized Tomography of the Spine” 2nd Annual CME Symposium SUNY/Buffalo School of Medicine, Department of Radiology, April 1986

Computerized Tomography of Acute Intracranial , Processes” – CME Program Advances in Maxillofacial Imaging, SUNY/Buffalo School of Medicine, November 7/8, 1986

“Head and Neck Imaging” Department of Oral Medicine, School of Dental Medicine, April 1987

“Non-Ionic vs. Ionic Contrast Media” – CME Program University of Virginia School of Medicine, Charlottesville, VA, October 14, 1987

“Head and Neck Imaging” Department of Oral Medicine School of Dental Medicine, January 1988

“Neuroradiology of AIDs” – Spring Clinical Days Erie County Medical Center, April 1988

“Neuroradiology of AIDs” – 4th Annual CME Symposium, Current Topics in Diagnostic Imaging, SUNY/Buffalo Department of Radiology, May 14, 1988

“Cerebral Angiography” – Department of Neurology, SUNY/Buffalo VA Medical Center, September 1989

“MRI, CT and Interventional Radiology” lectures, Shiraz Medical School Hospitals, Department of Radiology Shiraz, Iran, October 1989

“Complications of Cerebral Angiography” Department of Neurology, SUNY/Buffalo VA Medical Center, November 1989

“Introduction to MRI” – Department of Rehabilitation Medicine, SUNY/Buffalo VA Medical Center, February 1990

“Anatomy of Skull” – New York State Office of Developmental Disabilities, West Seneca Developmental Center, February 1, 1990

CURRICULUM VITAE

REZA PORDELL, M.D.

Presentations (cont.)

“Imaging of Neurologic Disorders” – New York State Office of Retardation and Developmental Disabilities, West Seneca Developmental Center, February 15, 1990

“Normal Skull” – Department of Neurosurgery and Radiology, Millard Fillmore Hospital, February 15, 1990

“Congenital Anomalies of Brain” – Departments of Neurosurgery and Neurology, Millard Fillmore Hospital, March 1990

“Congenital Anomalies of Nervous System” – Department of Pediatrics, Tokyo Women’s Medical School, Tokyo, Japan, March 20, 1991

“MRI in Evaluation of Facial and Mandibular Pathology” – Department of Dentistry, SUNY/Buffalo-Erie County Medical Center, April 3, 1991

“MRI of Abdomen and Pelvis (Female and Male)”, Magnetic Resonance Imaging Category I Credit Continuing Medical Education, January 19, 1991

“Imaging of Ear” – Maxillofacial Imaging Symposium, Continuing Medical Education, SUNY/Buffalo – Grand Island, NY, October 19-23, 1992

Grand Rounds, Department of Neurosurgery SUNY/Buffalo – Millard Fillmore Hospital June 24, 1993

Visiting Professor, Shiraz University of Medical Sciences and Lecture Series, Shiraz, Iran, March 20, 1993 - April 7, 1993

“Vascular MRI” – Selected Topics in Imaging of the Nervous and Musculoskeletal Systems Department of Neurology, SUNY/Buffalo School of Medicine and Biomedical Sciences – Buffalo General Hospital, September 1995

“The Impact of MRI on Pancreatitis and its Complications” Exhibit – Spring Clinical Days ‘96 State University of New York at Buffalo School of Medicine, May 11, 1996

“Magnetic Resonance Angiography” Exhibit – Spring Clinical Days ‘96, State University of New York at Buffalo School of Medicine May 11, 1996

“The Art of Angioplasty” Exhibit – Spring Clinical Days ‘96, State University of New York at Buffalo School of Medicine, May 11, 1996

“Lecture Series, Shiraz University of Medical Sciences”, Shiraz, Iran: “Cardiac MRI,” “MRI Angiography” and “Imaging of Seizure Disorders”, February 1996

“Magnetic Resonance – Angiograph – MRA: Brain, Body, and Cholangiography” – Spring Symposium of Magnetic Resonance Imaging Technologists at Buffalo General Hospital, April 26, 1997

CURRICULUM VITAE

REZA PORDELL, M.D.

Presentations

Lecture Series at Tuzla Medical Center, Bostia - Buffalo General Hospital – Tuzla Medical Center Partnership, Sponsored by American Health, Alliance, Inc., July-August 1997

“Subsidiarity” – Slide Presentation – Buffalo General Hospital Department of Radiology, December 1997

“Changes” – Slide Presentation, CGF Radiology Associates, February 1998

“Diffusion Weighted Imaging of Small Artery Disease” Cerebral Small Artery Disease: Clinical Applications for Neurologists and Neurosurgeons. Sponsored by Western NY Neuroscience Center of CGF Health System’s Buffalo General Hospital and the Departments of Neurology and Neurosurgery, September 12, 1998

“Magnetic Resonance Angiography (MRA)”, November 1999
